

Regional Equality Committee 2020 Key Priorities

- Develop and expand the Equality Agenda across the Northwest
- Support CWU Local, Regional and National campaigns
- Work with the CWU Local, Regional and National Leads, Northwest TUC and other Trade Unions on common issues and campaigns
- Help the cause of all equality strands by standing together as one
- Identify individuals in each equality strand and find cross-overs so there are no gaps in our approach
- Acquire and complete all relevant and developmental training
- Be the go-to people for Reps, Branches and Regional Leads for equality strand related enquiries
- Raise awareness on all equality strand issues
- Organise at least one Regional event for each equality strand per year
- Challenge and develop ourselves
- Create networks within our equality strands and beyond
- Plan and run workplace events
- Work with the National Leads to build on the work previously done by the Advisory Committees
- Support and attend as many equality-related meetings and events as possible
- Campaign to improve workplace policies to encourage inclusivity for all workers
