

SHOW RACISM THE RED CARD

**SUPPORTING**

A large, vibrant red ribbon is intricately looped and twisted to form a heart shape. The ribbon has a glossy, three-dimensional appearance with soft shadows and highlights, giving it a sense of depth and movement. The heart is centered on the page, and the text 'WEAR RED DAY' is printed in bold, black, sans-serif capital letters across its center. The word 'RED' is highlighted in a bright red color, matching the ribbon.
