

2021
CWU North West Health & Safety
Key Priorities

- Support the call to action to adopt a Zero Covid strategy to suppress the virus to save lives and livelihoods,

- Commit to the Trade Union Clear Air Network Charter (TUCAN/Greener Jobs Alliance) and support other organisation's campaigns for the health and environmental concerns of our members and the wider Trade Union movement.

- Work with the CWU North West Mental Health Network and continue to support all campaigns, events and to share communications.
